**TORONTO, CANADA – September 20, 2022 – Vox Royalty Corp. (TSXV: [VOX](#)) (OTCQX: [VOXCF](#))** (“Vox” or the “Company”), a returns focused precious metals royalty company, is pleased to announce that its Board of Directors has approved the initiation of a quarterly dividend program and the Company has declared an inaugural quarterly cash dividend of US\$0.01 per common share to be paid in the fourth quarter of 2022. The dividend will be paid on November 4, 2022 to shareholders of record as of the close of business on October 21, 2022.

Kyle Floyd, Chief Executive Officer stated: *“I am very excited to announce the initiation of a quarterly dividend program following back-to-back record quarterly royalty receipts. The performance of our royalty portfolio continues to exceed management expectations and validate our technical due diligence. The launch of a quarterly dividend is a major milestone for Vox shareholders. Vox continues to take a balanced approach between capital returns to investors and future accretive royalty acquisitions. Based on yesterday’s closing price of C\$2.98, the declared dividend represents an approximate 1.8% yield on an annualized basis. As additional Vox royalties start cash-flowing, management will continue to assess potential increases to the quarterly dividend.”*
